Sheikh Mohammed bin Abdulla Al Thani | Mountaineer, entrepreneur, speaker

Find it. Climb it. Hold the door.

ABOUT

The first Qatari to summit Everest (22 May 2013) and to complete the Seven Summits (Denali, May 2016), later also the Carstensz version (Carstensz Pyramid, Oct 2024). Skied the last degree to the South Pole (2015) and climbed Ama Dablam (Nov 2020). Founder of Rise to Success, which has taken 350+ people on their own climbs since 2011. Mission: helping 1 billion people find their moonshot.

SIGNATURE TALKS

Find It. Climb It. Hold the Door. - Purpose over status; success measured in other people's lives.

The mountain of doubt - The hardest climb is the one inside you.

The mountain dictates terms - Patience and leadership when conditions are out of your control.

No one summits alone - Teams, Sherpas and the people who go uncredited.

AUDIENCES WILL TAKE AWAY

How to find a goal worth years of preparation; how to keep going when fear arrives; why the summit is a moment and what you do after it is what lasts.
